

Grand Rounds Tuesday, April 17, 2018

in conjunction with UC Neuroscience Research Day

11:30 am – 12:30 pm 5051 UC Medical Sciences Building (MSB)

Environmental Exposures and Autism Risk: Narrowing the Knowledge Gaps

Craig Newschaffer, PhD

Founding Director

A.J. Drexel Autism Institute

Drexel University

Objectives

1. Describe the likely importance of environmental as well as genetic risk factors in autism etiology
2. Discuss the challenges of studying environmental autism risk factors
3. Explain novel, emerging approaches (exposomics, genome-wide interaction studies)

The UC Neuroscience Research Day poster session begins at 8:30 am in the CARE/Crawley atrium.

Awards will be presented at 12:30 PM in 5051 MSB following the lecture.

Target audience: physicians, healthcare practitioners, researchers, community health advocates.

The University of Cincinnati is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CRPs, NPs, PAs and RNs can count approved activities certified for 1 *AMA PRA Category 1 Credit*[™] for professional credit reporting purposes. Other healthcare professionals should inquire with their certifying or licensing boards.

Register for lunch by April 11. Details: cctst.uc.edu
