

Research Study: Nutrition Education for Breast Cancer Survivors

What is this?

The purpose of this research study is to get feedback on the graphic-style stories about food and nutrition.

Who can participate?

Black/African American women breast cancer survivors

What will I have to do?

Complete a brief online survey about yourself and participate in a small group discussion or individual interview to provide feedback on nutrition education materials viz Zoom

How long will it take?

*1.5 hours to 2 hours for a small group discussion
OR 45 minutes to 1 hour for an individual interview*

What will I get for participating in this survey?

You will receive a \$30 gift card (group discussion) OR \$15 gift card (individual interview)
